

## World's Best Workforce

The World's Best Workforce (WBWF) was developed in 2013 ([Minnesota Statutes, section 120B.11](#)) to ensure that school districts and charter schools in Minnesota enhance student achievement through teaching and learning supports. School boards that govern districts and charter schools are required to develop comprehensive, long-term strategic plans that address the following WBWF goals:

- All racial and economic achievement gaps between students are closed.
- All students are ready for career and college.
- All students graduate from high school.
